

1810 Federal Census included the states of Connecticut, Delaware, Kentucky, Louisiana, Maine, Maryland, Massachusetts, New Hampshire, New York, North Carolina, Pennsylvania, Rhode Island, South Carolina, Tennessee, Vermont, Virginia. Names as appear on various census index lists, as the 1810 was apparently subject to the interpretation of various translators. Many Grippens included here, as they really appear to be Crippens. Use your judgement and family knowledge for final determination.

Note: Census page #'s for 1810 census, are not consistent between various census indexes. For Ex. Pan Crippen (probably Sam.) is listed in one as p. 278, in another as p. 510, in a 3rd as p. 510. In the case of the 3rd census index, he's listed as Sam. And not Pan.
